## NFES – One Day Seminar

### *Petrophysics – Understanding reservoirs* **Methods, Workflows, Tools, and Case Studies**

**November 7<sup>th</sup>, 2018 - Solastranden Gård, Stavanger**

Dear Colleagues,

The Norwegian Formation Evaluation Society, local chapter of SPWLA, is delighted to invite you to submit your abstract for our annual One Day Seminar. New technology and/or innovative interpretation techniques are prioritized. However, any formation evaluation (FE) acquisitions and/or related technology will be evaluated. The seminar will take place in Stavanger on Wednesday, the 7<sup>th</sup> of November 2018.

The accepted abstracts will be given a 30min. timeslot for a presentation with an additional 10min Q&A slot. No paper required and you may present your case study, well or field interpretation.

Please submit your abstract (max. 300 words)  
by Sept 24<sup>th</sup> 2018  
to NFES VP Program ([VP\\_Program@nfes.org](mailto:VP_Program@nfes.org)).
